

Path to Wisdom Foundation

Books Mentioned in Podcast:

The Gospel of Buddha by Paul Carus

The Buddha and his Dhamma by Bhikku Bodhi

Siddhartha by Hermann Hesse

There are many, many, more books to be found on various aspects of what is referred to as 'Buddhist philosophy, though, teachings and Buddhism'. When reading always feel free to ask questions and search out guidance from any source which you feel may assist in your study process.

Please also feel free to email me at info@path-to-wisdom.org with 'Question for Padmapani' in the subject space with any questions which you may have.
